### WHO IS THE PASSENGER RAIL AGENCY OF SOUTH AFRICA (PRASA)?

PRASA is a public entity owned by the Government to provide services to people who travel by train in South Africa.

### WHO CAN CLAIM?

You can claim compensation from PRASA if you were in a train accident and you experience pain and suffering, and where you suffer a loss of income and medical expenses.

If the breadwinner of your family dies in a train accident, the children and spouse of the deceased can claim for loss of support as a result of the wrongful death of the breadwinner.

### WHEN CAN YOU CLAIM?

The standard provisions of the Prescription Act apply as they relate to time periods. Summons must be served within 3 years and a Plaintiff has 6 months from the date of the accident or the death of the breadwinner in which to serve a Section 3(1) Notice which notifies the relevant government agencies of your intention to sue for damages.
